## Natural Selection Choice Board

Directions: Select one assignment from each vertical column. Circle your choices, and then list your three choices at the bottom of the page.

#1 Prepare a 20 question quiz with answers about the theory of evolution by means of natural selection.	#2 Design a board game about Natural Selection.	#3 Imagine you are a student in 1856 visiting Charles Darwin in his garden. Write a letter to a friend describing the theory of natural selection. The letter should be at least one page long.
#4 Create a crossword puzzle using the vocabulary words from the natural selection chapter in your book	#5 Construct a diagram that would show the process of natural selection.	#6 Design a poster on the history of the theory. Include a summary of your opinions about Darwin's life and scientific discovery. Make sure to use the vocabulary words from the unit.
#7 Compose a poem using the vocabulary words from the unit.	#8 Create a concept map to show the relationship among natural selection and evolution.	#9 Create a travel brochure dating back to 1831 and Darwin's journey on the H.M.S. Beagle. Do not forget to use the vocabulary words.
