What is paper?

Things to do today!

Morgan

Ginger

Walk Ginger

Help Dad with dishes

Practice piano

NOTE

Don't forget
to order pizza!!

Fresh

PIZZA

Baked!

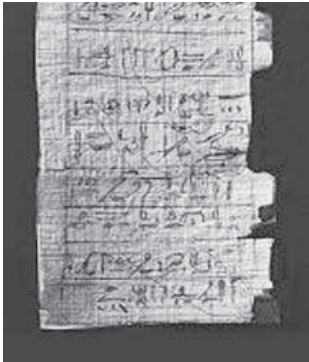

Where does paper come from?

What Is Paper?

Long ago, people wrote on dried bark from a tree.

This was called **pre-paper**.

"Pre" means "before."

Papyrus is one kind of pre-paper.

Where Does Paper Come From?

Real paper comes from plants.

Here are some of the plants that people use to make paper.

Pine trees

Potato plant

Cabbage plant

Cotton plant

Cactus plant

We Use Paper in Many Ways

to write on

stamps

money

to wrap presents

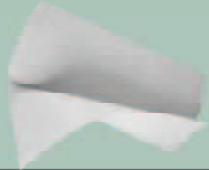

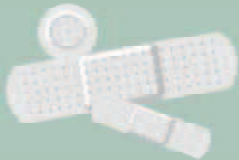

On this envelope, draw or write three ways that you and your family use paper.

Teacher's Page

Teacher: You can also use these numbers in a graphing exercise.

Do some research! How many do you and your family use each week? Write the number for each item in the blank space.

				
Toilet tissue	Paper towel	Movie ticket	Pizza Box	Diapers
				
Books	Band-aids	Tissue	CD packages	Wrapping Paper

Parents' Corner

In this square, have your child paste the label from the paper product your family uses most each week.
