

2020 DeKalb Elementary Science Olympiad

Event List

Your 2020 Event Packet includes copies of rules for all of the events listed below, including the DeKalb Modifications. With the exception of DeKalb Modifications and Georgia Specials, all event descriptions come from the 6th Edition (2010) “Competitive Tournament Rules Manual” from Science Olympiad.

Look for Rules Clarifications on our web page: <http://fsc.fernbank.edu/ScienceOlympiad.htm> . We try to be consistent with the clarifications or modifications announced for Georgia’s state-level event but differences occur. Coaches should request additional clarifications directly from Olympiad coordinator Michael Dowling at Fernbank Science Center (michael_dowling@dekalbschoolsga.org).
