Which Way's North?

An Amazing Automotive Adventure

Quiz Packet

Please do not write on this packet. Write your
answers on your Answer Sheet.

The Adams family loves the letter A. They are a family of four; parents Art and Astrid and their children Anthony and Analia. Last year they decided to spend their spring break visiting all the major cities in Georgia that begin with the letter A.

On Monday the family left downtown Atlanta heading south on Interstate 75. At exit 235 they turned onto Highway 19 heading south.

- 1) **At this location is Highway 19 a U.S. or State highway?**
- 2) **At this location is Highway 19 a divided or undivided highway?**

They continued heading south on Highway 19. Eventually they passed through a city that is the county seat of Sumter County.

- 3) **What city is the county seat of Sumter County?**
- 4) **Is Highway 19 an official Hurricane Evacuation Route as it travels through Sumter County?**

They arrived in Albany, Georgia and check into their hotel. After diner they decided to tour the town. Analia is in High School and she wanted to visit as many colleges and universities as possible during this trip.

- 5) **Albany is located at what coordinates on the map?**
- 6) **How many colleges or universities are located in the Albany metro area?**
- 7) **What is the name of one of the colleges or universities located in Albany, Georgia?**

The next morning, they packed up their car and headed to Augusta, Georgia. They needed to check into their hotel in Augusta by 3PM.

- 8) **How many miles is the drive from Albany to Augusta?**
- 9) **How many hours will it take to get to Augusta if they do not stop along the way and they travel an average of 60 miles per hour?**
- 10) **What time will they need to leave Albany in order to get to Augusta by 3PM?**

Their mom booked a room in downtown Augusta along Broad Street. When they looked out the window in their room they could see a big river. Lots of boats were floating along the river all throughout the day.

- 11) **What is the name of the river that flows through downtown Augusta?**
- 12) **This river forms the boundary between which two states?**

Anthony loves to visit airports and watch planes take-off and land. He is pretty sure he wants to be a pilot when he grows up.

13) Does Augusta have an airport?

On Wednesday afternoon the Adams family left Augusta, heading west on Interstate 20. They got off the Interstate at exit 138.

14) What is the name of the town closest to exit 138?

At exit 138 they headed northwest on Highway 15 towards Greensboro, Georgia.

15) What Park, Forest or Preserve will they pass through north of Greensboro?

The Adams family loves to camp and they always travel with all their camping gear. If they cannot find a place to camp before they reach Watkinsville they will spend the night in a hotel there.

16) Is there a place for the family to camp between Greensboro and Watkinsville?

On Thursday morning the family woke up and headed for Athens, Georgia.

17) What direction did they travel to get to Athens?

Of course Analia wanted to visit the University of Georgia while the family toured Athens. She couldn't wait to find the famous victory bell and give it a ring. But right near the campus their car was stopped at a railroad crossing on Oak Street and they had to wait for a really long train to pass by.

18) What is the name of the railroad line that crosses Oak Street near the UGA campus?

On Friday morning the family packed up the car and started their trip back to Atlanta. Their Dad wanted to stop along the way and visit Fort Yargo State Park.

19) In what county is Fort Yargo State Park located?

They made it back to Atlanta late Friday night. They all agreed it was an amazing automotive adventure!

20) Approximately how many miles did they travel on their trip? Choose the best possible answer

400 miles 600 miles 800 miles 1000 miles
